The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 1022 makes a correction to the disposition of a fee for purposes of the 24/7 sobriety permit program. Currently section 60-4,115 directs that the fee (\$25) shall be remitted to the county of residence of the individual participating in the program. LB 1022 amends the section by providing that the fee shall be directed for deposit with the county treasurer of the county which issued the permit.
