

One Hundred Seventh Legislature - Second Session - 2022

Introducer's Statement of Intent

LB727

Chairperson: Senator Justin Wayne

Committee: Urban Affairs

Date of Hearing: February 22, 2022

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 727 removes a redundancy in section 31-735 regarding sanitary and improvement districts (SID) board of trustees elections. Current statute states that eight years after the first election of trustees and each election after, three members of the board shall be elected by property owners within the SID and two members of the board shall be elected by all of the owners of real estate within the SID, and then goes on to state the same thing shall occur at the election six years after the first election. As this language is redundant, LB 727 removes the redundancy and would ensure consistency in the statutes.
