

**One Hundred Seventh Legislature - Second Session - 2022**

**Introducer's Statement of Intent**

**LB933**

---

**Chairperson: Senator Steve Lathrop**

**Committee: Judiciary**

**Date of Hearing: February 24, 2022**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB933 would prohibit the performance of an abortion on live, unborn children upon the occurrence of one of three events: the overturn of Roe v. Wade, an amendment to the United States Constitution, or the passage of enabling legislation by the United States Congress. LB933 would provide for criminal penalties for any physician who performs an abortion, but allows for medical interventions that are necessary to preserve the life of the mother. The purpose of LB933 is to protect and promote society's respect for human life, including the life of the unborn.
