

One Hundred Seventh Legislature - Second Session - 2022

Introducer's Statement of Intent

LB962

Chairperson: Senator John Stinner

Committee: Appropriations

Date of Hearing: February 17, 2022

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB962 would appropriate \$5,000,000 from Federal Funds to the University of Nebraska for the Science, Technology, Engineering & Mathematics (STEM) Trail Center. A one-time \$5 million investment would establish a singular location where the community is welcome to be a part of the STEM TRAIL Center, helping us recruit high school students to UNO, hosting community events and securing UNO as a national and international model for STEM excellence.
