2 28-1250, 81-520.01, 81-546, 81-547, 81-550, and 81-5,159, Reissue  
3 Revised Statutes of Nebraska, and sections 81-502 and 81-5,172,  
4 Revised Statutes Cumulative Supplement, 2022; to eliminate the  
5 Nebraska Fire Safety Appeals Board; to change open burning permit  
6 requirements; to change and provide enforcement, civil penalty, and  
7 appeals procedures under the Nebraska Natural Gas Pipeline Safety  
8 Act of 1969; to change a pipeline facility assessment under the  
9 Nebraska Natural Gas Pipeline Safety Cash Fund; to change a renewal  
10 application deadline for a contractor certificate relating to fire  
11 protection systems; to change exception provisions under the Boiler  
12 Inspection Act; to eliminate obsolete provisions; to harmonize  
13 provisions; to repeal the original sections; to outright repeal  
14 section 81-502.01, Reissue Revised Statutes of Nebraska, section  
15 81-502.02, Revised Statutes Cumulative Supplement, 2022, and section  
16 81-502.03, Revised Statutes Supplement, 2023; and to declare an  
17 emergency.  
18 Be it enacted by the people of the State of Nebraska,

1 Section 1. Section 28-1250, Reissue Revised Statutes of Nebraska, is  
2 amended to read:

3 28-1250 (1) Any person who violates any of the provisions of  
4 sections 28-1244 to 28-1249 commits a Class III misdemeanor. If such  
5 person is a licensed distributor or jobber, the State Fire Marshal may  
6 suspend, cancel, or revoke the license for up to three years. The  
7 suspension, cancellation, or revocation shall become effective upon the  
8 failure to timely appeal the decision under the Administrative Procedure  
9 Act ~~or upon an order of the Nebraska Fire Safety Appeals Board upholding~~  
10 ~~the decision pursuant to a hearing under the Administrative Procedure~~  
11 ~~Act.~~

12 (2) It shall be unlawful for any person, association, partnership,  
13 limited liability company, or corporation to have in his, her, or its  
14 possession any fireworks in violation of any of the provisions of  
15 sections 28-1244 to 28-1249. If any person shall have in his, her, or its  
16 possession any fireworks in violation of such sections, a warrant may be  
17 issued for the seizure of such fireworks and when the warrant is executed  
18 by the seizure of such fireworks, such fireworks shall be safely kept by  
19 the magistrate to be used as evidence. Upon conviction of the offender,  
20 the fireworks shall be destroyed, but if the offender is discharged, the  
21 fireworks shall be returned to the person in whose possession they were  
22 found. Nothing in such sections shall apply to the transportation of  
23 fireworks by regulated carriers.

24 Sec. 2. Section 81-502, Revised Statutes Cumulative Supplement,  
25 2022, is amended to read:

26 81-502 (1) It shall be the duty of the State Fire Marshal, under  
27 authority of the Governor:

28 (a) To enforce all laws of the state relating to the suppression of  
29 arson and investigation of the cause, origin, and circumstances of fires;

30 (b) To promote safety and reduce loss by fire; and

31 (c) To make an investigation for fire safety of the premises and

1 facilities of:

2 (i) Liquor establishments for which a license or renewal of a  
3 license is sought, upon request of the Nebraska Liquor Control  
4 Commission, pursuant to section 53-119.01;

5 (ii) Licensed foster care facilities or applicants for licenses for  
6 foster care facilities, upon request by the Department of Health and  
7 Human Services, pursuant to section 71-1903;

8 (iii) Upon request of the Department of Health and Human Services,  
9 licensed providers of programs or applicants for licenses to provide such  
10 programs pursuant to section 71-1913 and licensed residential child-  
11 caring agencies or applicants for such licensure pursuant to section  
12 71-1934. The State Fire Marshal shall report the results of the  
13 investigation to the department within thirty days after receipt of the  
14 request from the department;

15 (iv) Licensed hospitals, skilled nursing facilities, intermediate  
16 care facilities, or other health care facilities which are licensed under  
17 the Health Care Facility Licensure Act or applicants for licenses for  
18 such facilities or institutions, upon request by the Department of Health  
19 and Human Services, pursuant to section 71-441; and

20 (v) Mobile home parks for which a license or renewal of a license is  
21 sought, upon request of the Department of Environment and Energy,  
22 pursuant to section 81-15,291.

23 (2) The State Fire Marshal may enter into contracts with private  
24 individuals or other agencies, boards, commissions, or governmental  
25 bodies for the purpose of carrying out his or her duties and  
26 responsibilities pursuant to the Arson Reporting Immunity Act, the  
27 Nebraska Natural Gas Pipeline Safety Act of 1969, and sections 81-502 to  
28 81-538, 81-5,132 to 81-5,146, and 81-5,151 to 81-5,157.

29 (3) The State Fire Marshal may delegate the authority set forth in  
30 this section and section 81-503.01 to qualified local fire prevention  
31 personnel. The State Fire Marshal may overrule a decision, act, or policy

1 of the local fire prevention personnel. ~~When the State Fire Marshal~~  
2 ~~overrules the local personnel, such local personnel may follow the~~  
3 ~~appeals procedure established by sections 81-502.01 to 81-502.03.~~ Such  
4 delegation of authority may be revoked by the State Fire Marshal for  
5 cause upon thirty days' notice after a hearing.

6 (4) The State Fire Marshal, first assistant fire marshal, and  
7 deputies shall have such other powers and perform such other duties as  
8 are set forth in sections 81-501.01 to 81-531 and 81-5,151 to 81-5,157  
9 and as may be conferred and imposed by law.

10 Sec. 3. Section 81-520.01, Reissue Revised Statutes of Nebraska, is  
11 amended to read:

12 81-520.01 (1) There shall be a statewide open burning ban on all  
13 bonfires, outdoor rubbish fires, and fires for the purpose of clearing  
14 land.

15 (2) The fire chief of a local fire department may waive an open  
16 burning ban under subsection (1) of this section for an area under the  
17 local fire department's jurisdiction by issuing an open burning permit to  
18 a person requesting permission to conduct open burning. The permit issued  
19 by the fire chief to a person desiring to conduct open burning shall at a  
20 minimum contain (a) the name and telephone number of the landowner, (b)  
21 the burn location, (c) the date and beginning and ending time of the  
22 burn, (d) a description of the material to be burned, and (e) the name  
23 and telephone number of the person responsible for the burn. The local  
24 fire department may have additional requirements for a burn to be  
25 permitted. The permit shall contain the signature, written or electronic,  
26 of the local fire chief be in writing, signed by the fire chief, and on a  
27 form prescribed by the State Fire Marshal. The State Fire Marshal shall  
28 provide a sample form with the minimum requirements on the website of the  
29 State Fire Marshal local fire departments with such forms.

30 (3) The fire chief of a local fire department may waive the open  
31 burning ban in the local fire department's jurisdiction when conditions

1 are acceptable to the chief. Anyone intending to burn in such  
2 jurisdiction when the open burning ban has been waived shall notify the  
3 fire chief of his or her intention to burn prior to starting the burn.

4 (4) The fire chief of a local fire department may adopt standards  
5 listing the conditions acceptable for issuing a permit to conduct open  
6 burning under subsection (2) of this section.

7 (5) The local fire department may charge a fee, not to exceed ten  
8 dollars, for each such permit issued. This fee shall be remitted to the  
9 governing body for inclusion in the general funds allocated to the fire  
10 department. Such funds shall not reduce the tax requirements for the fire  
11 department. No such fee shall be collected from any state or political  
12 subdivision to which such a permit is issued to conduct open burning  
13 under subsection (2) of this section in the course of such state's or  
14 political subdivision's official duties.

15 Sec. 4. Section 81-546, Reissue Revised Statutes of Nebraska, is  
16 amended to read:

17 81-546 (1) Whenever the State Fire Marshal, after conducting an  
18 inspection or investigation, has determined with a reasonable degree of  
19 certainty that reason to believe any person has violated or is violating  
20 any provision of subsection (1) of section 81-545 or any regulation under  
21 the Nebraska Natural Gas Pipeline Safety Act of 1969, the State Fire  
22 Marshal shall give notice of the determination of a probable violation to  
23 such person and provide such person with the basis for the determination,  
24 including all documentation or other evidence related to the inspection  
25 or investigation.

26 (2) Such person shall have sixty business days to respond to the  
27 notice of a probable violation by either (a) agreeing with the  
28 determination and providing any details on what has been or will be done  
29 to achieve compliance or (b) disputing the determination and providing  
30 documentation or evidence to support that such person should not be found  
31 in violation of such section or regulations.

1       (3) In response to an answer made pursuant to subsection (2) of this  
2 section, the State Fire Marshal shall review the information provided.  
3 The State Fire Marshal may request any additional information from such  
4 person as the State Fire Marshal may require in order to reach a  
5 conclusion pursuant to subdivisions (a) and (b) of this subsection. Such  
6 person shall have thirty business days to respond to each such request  
7 for additional information. After such review:

8       (a) If the State Fire Marshal concludes that such person was not or  
9 is not in violation or that such person has achieved or will achieve  
10 compliance to no longer be in violation of any provision of subsection  
11 (1) of section 81-545 or any regulation under the Nebraska Natural Gas  
12 Pipeline Safety Act of 1969, the State Fire Marshal shall issue a letter  
13 indicating settlement based on such compliance and close the matter; or

14       (b) If the State Fire Marshal concludes that such person has not or  
15 will not achieve compliance to no longer be in violation of any provision  
16 of subsection (1) of section 81-545 or any regulation under the Nebraska  
17 Natural Gas Pipeline Safety Act of 1969 and permit such person reasonable  
18 opportunity to achieve compliance. If compliance has not been achieved in  
19 a reasonable time, the State Fire Marshal shall issue an order finding  
20 such person in violation and providing notice of the right to a hearing  
21 pursuant to subdivision (4)(a) of this section.

22       (4)(a) If the State Fire Marshal issues an order pursuant to  
23 subdivision (3)(b) of this section, such person may request a hearing. If  
24 such person:

25       (i) Fails to request a hearing within thirty business days after the  
26 date of the order, the State Fire Marshal shall issue a final order  
27 finding such person in violation; or

28       (ii) Requests a hearing, the hearing officer shall conduct the  
29 proceeding in accordance with the Administrative Procedure Act. After the  
30 hearing, the hearing officer shall prepare findings of fact and  
31 conclusions of law. The State Fire Marshal shall issue a final order

1 based on such findings of fact and conclusions of law.

2 (b) A final order issued pursuant to subdivision (4)(a)(i) or (ii)  
3 of this section may be appealed. The appeal shall be in accordance with  
4 the Administrative Procedure Act.

5 (5) After issuance of a final order under subdivision (4)(a)(i) or  
6 (ii) of this section and if no appeal is timely filed, the State Fire  
7 Marshal may request the Attorney General to bring an action under section  
8 81-547 in the district court for the county in which the defendant's  
9 principal place of business is located, ~~and the~~

10 (6)(a) Except as provided in subdivision (b) of this subsection, the  
11 district court may impose a civil penalty of not to exceed ten thousand  
12 dollars for each violation for each day that such violation persists,  
13 except that the maximum civil penalty shall not exceed five hundred  
14 thousand dollars for any related series of violations.

15 (b) For a violation of the federal safety standards established by  
16 the United States Secretary of Transportation pursuant to the federal  
17 Natural Gas Pipeline Safety Act of 1968 that have been incorporated in  
18 safety standards established by the State Fire Marshal under section  
19 81-543, the district court may impose a civil penalty of up to two  
20 hundred thousand dollars for each violation for each day that such  
21 violation persists, except that the maximum civil penalty shall not  
22 exceed two million dollars for any related series of violations.

23 (7) No person shall be subject to civil penalties under both section  
24 81-547 and the One-Call Notification System Act for conduct which may  
25 give rise to a violation under both the Nebraska Natural Gas Pipeline  
26 Safety Act of 1969 and the One-Call Notification System Act, unless that  
27 conduct is reckless or is done with willful disregard for the safety of  
28 others or their property. In the absence of recklessness or willful  
29 disregard for the safety of others or their property, such conduct shall  
30 be enforced primarily in accordance with section 76-2325.

31 (8) ~~(2)~~ In determining the amount of a such penalty imposed under

1 subsection (6) of this section, the court shall consider the  
2 appropriateness of such penalty to the size of the business of the person  
3 charged, the gravity of the violation, the amount of harm or damage  
4 resulting from the violation, prior offenses and compliance history of  
5 the person charged, and the good faith of the person charged in  
6 attempting to achieve compliance, remedial actions taken by the person  
7 charged, and other such matters as justice may require. The amount of  
8 such penalty, when finally determined, may be deducted from any sums  
9 owing by the State of Nebraska to the person charged.

10 Sec. 5. Section 81-547, Reissue Revised Statutes of Nebraska, is  
11 amended to read:

12 81-547 (1) The district courts shall have jurisdiction to restrain  
13 violations of sections 81-503, 81-505, 81-525, and 81-542 to 81-552,  
14 including the restraint of transportation of gas or the operation of a  
15 pipeline facility, or to enforce standards established under the Nebraska  
16 Natural Gas Pipeline Safety Act of 1969 ~~hereunder~~ upon petition by the  
17 Attorney General on behalf of the State of Nebraska.—~~Whenever~~  
18 ~~practicable, the State Fire Marshal shall give notice to any person~~  
19 ~~against whom an action for injunctive relief is contemplated and afford~~  
20 ~~him an opportunity to present his views, and, except in the case of a~~  
21 ~~knowing and willful violation, shall afford him reasonable opportunity to~~  
22 ~~achieve compliance. The failure to give such notice and afford such~~  
23 ~~opportunity shall not preclude the granting of appropriate relief.~~

24 (2) Actions under subsection (1) of this section and section 81-546  
25 shall be brought in the county in the State of Nebraska in which the  
26 defendant's principal place of business is located, and process in such  
27 cases may be served in any other county in the State of Nebraska where  
28 the defendant may be found or in which the defendant is an inhabitant or  
29 transacts business.

30 Sec. 6. Section 81-550, Reissue Revised Statutes of Nebraska, is  
31 amended to read:

1           81-550 (1) The Nebraska Natural Gas Pipeline Safety Cash Fund is  
2 created. The fund shall consist of money received from assessments  
3 pursuant to this section which shall be remitted to the State Treasurer  
4 for credit to the fund. ~~Transfers may be made from the fund to the~~  
5 ~~General Fund at the direction of the Legislature through June 30, 2010.~~  
6 The Nebraska Natural Gas Pipeline Safety Cash Fund shall be used for  
7 purposes of administering the Nebraska Natural Gas Pipeline Safety Act of  
8 1969. The fund shall be administered by the State Fire Marshal. Any money  
9 in the fund available for investment shall be invested by the state  
10 investment officer pursuant to the Nebraska Capital Expansion Act and the  
11 Nebraska State Funds Investment Act.

12           (2) To defray the cost of administering the Nebraska Natural Gas  
13 Pipeline Safety Act of 1969, the State Fire Marshal shall on March 1 of  
14 each year make an assessment against persons having pipeline facilities  
15 in this state subject to the act, which assessment shall be paid within  
16 thirty days thereafter.

17           (3) The assessment against each such person shall be based on the  
18 number of meters such person has in service for the retail sale of gas in  
19 this state at the end of the calendar year next preceding such  
20 assessment. The amount of such assessment shall be set by the State Fire  
21 Marshal in an amount not to exceed fifty ~~twenty~~ cents multiplied by the  
22 number of such meters for each such person.

23           (4) It shall be the duty of the State Fire Marshal to make timely  
24 application each year to the United States Government for the maximum  
25 funds to which this state may be entitled from the United States  
26 Government for the administration of the act.

27           Sec. 7. Section 81-5,159, Reissue Revised Statutes of Nebraska, is  
28 amended to read:

29           81-5,159 (1) Any water-based fire protection system contractor who  
30 installs, repairs, alters, adds to, maintains, or inspects water-based  
31 fire protection systems in this state shall first obtain a contractor

1 certificate.

2 (2) A water-based fire protection system contractor may apply to the  
3 State Fire Marshal for a contractor certificate. The application shall be  
4 made on a form prescribed by the State Fire Marshal and shall include a  
5 certificate fee of up to one hundred dollars. Each applicant must  
6 designate a responsible managing employee on the application, and such  
7 ~~this~~ individual's name shall appear on the certificate with that of the  
8 water-based fire protection system contractor upon issuance. Proof of  
9 insurance required by section 81-5,160 shall also accompany the  
10 application.

11 (3) Upon receipt of a complete application, proof of insurance, and  
12 certificate fee, the State Fire Marshal shall schedule a time for an  
13 examination of the responsible managing employee to demonstrate that he  
14 or she is familiar with the procedures and rules of the State Fire  
15 Marshal relating to water-based fire protection systems. If the  
16 responsible managing employee passes the examination, the State Fire  
17 Marshal shall issue the certificate to the water-based fire protection  
18 system contractor within thirty days.

19 (4) A certificate shall expire on September 30 of the year following  
20 issuance. An application for renewal shall be filed at least ten ~~thirty~~  
21 days prior to expiration and shall be accompanied by a renewal fee of up  
22 to one hundred dollars and a sworn affidavit that the responsible  
23 managing employee is currently employed by the water-based fire  
24 protection system contractor. A water-based fire protection system  
25 contractor who fails to apply for renewal within the time stated in this  
26 subsection must make a new application for a certificate.

27 (5) A responsible managing employee may only act as such for one  
28 water-based fire protection system contractor at a time. When a  
29 responsible managing employee terminates his or her association with a  
30 water-based fire protection system contractor, the water-based fire  
31 protection system contractor shall notify the State Fire Marshal within

1 thirty days after termination. The responsible managing employee shall  
2 not be designated as the responsible managing employee for more than two  
3 water-based fire protection system contractors in any twelve-month  
4 period. The State Fire Marshal shall revoke the certificate of a water-  
5 based fire protection system contractor whose responsible managing  
6 employee has terminated his or her association with the water-based fire  
7 protection system contractor unless an application designating a new  
8 responsible managing employee is filed within six months after  
9 termination or prior to expiration of the current certificate, whichever  
10 is earlier.

11 Sec. 8. Section 81-5,172, Revised Statutes Cumulative Supplement,  
12 2022, is amended to read:
