19 (c) There shall be added interest or dividends received by the owner
20 of obligations of the District of Columbia, other states of the United
21 States, or their political subdivisions, authorities, commissions, or

23 income for federal income tax purposes except that such interest or
24 dividends shall not be added if received by a corporation which is a
25 regulated investment company;

26 (d) There shall be added that portion of the total dividends and
27 other income received from a regulated investment company which is
28 attributable to obligations described in subdivision (c) of this
29 subsection and excluded for federal income tax purposes as reported to
30 the recipient by the regulated investment company; and

31 (e)(i) Any amount subtracted under this subsection shall be reduced

1 by any interest on indebtedness incurred to carry the obligations or
2 securities described in this subsection or the investment in the
3 regulated investment company and by any expenses incurred in the

10 (2) There shall be allowed a net operating loss derived from or

20 carryovers or carrybacks shall be limited to the portion of the loss
21 derived from or connected with Nebraska sources.

22 (3) There shall be subtracted from federal adjusted gross income for
23 all taxable years beginning on or after January 1, 1987, the amount of
24 any state income tax refund to the extent such refund was deducted under

15 (a) The amount of federal taxable income from operations within a

21 maximum tax rate for corporations in the Internal Revenue Code; and

22 (c) The result of the calculation in subdivision (b) of this
23 subsection shall be subtracted from the amount of federal taxable income
24 used in subdivision (a) of this subsection. The result of such

2 agreement refunded to the taxpayer as a participant in the Nebraska

24 beneficiaries in the same manner as income is distributed for use against
25 their income tax liabilities.

26 (c) For a corporation with a unitary business having activity both
27 inside and outside the state, the increase shall be apportioned to
28 Nebraska in the same manner as income is apportioned to the state by

31 income or, for corporations and fiduciaries, federal taxable income by

24 taxable year beginning or deemed to begin on or after January 1, 2006,
25 under the Internal Revenue Code of 1986, as amended, and twenty percent
