**Introducer's Statement of Intent**

**LB1097**

---

**Chairperson: Senator Justin Wayne**

**Committee: Judiciary**

**Date of Hearing: February 08, 2024**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB1097 would clarify that the required daily reimbursement rate the Department of Health and Human Services pays for mentally incompetence defendants in county jail is one hundred dollars after the first thirty days. This clarification would harmonize the statutory language with the legislative intent when the original bill LB921 (2022) was enacted.
