

One Hundred Eighth Legislature - First Session - 2023

Introducer's Statement of Intent

LB111

Chairperson: Senator Tom Brewer

Committee: Government, Military and Veterans Affairs

Date of Hearing: February 16, 2023

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

Legislative Bill 111 proposes to adopt the Nebraska Volunteer Service Commission Act.

The Nebraska Volunteer Service Commission, also known as ServeNebraska, was created through Executive Order in 1994 by Governor Ben Nelson pursuant to the federal National and Community Service Trust Act of 1993, and receives grants, allotments, and service positions on behalf of the state under the federal act to implement programs, administer funds and address critical needs within our communities.

LB 111 would restructure the commission as a regulatory agency in an effort to allow the commission to more effectively carry out its many missions serving the people of the State of Nebraska.
