

One Hundred Eighth Legislature - Second Session - 2024

Introducer's Statement of Intent

LB1202

Chairperson: Senator Justin Wayne

Committee: Judiciary

Date of Hearing: February 15, 2024

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB1202 was introduced on behalf of the Department of Health and Human Services to modify the restriction regarding the physical location of the Customer Service Unit for child support enforcement. This bill removes language that pertains to the location resulting in the hiring of at least 0.25% of the county's labor force while keeping the requirement to remain in Nebraska. This change would make the bidding process more competitive by eliminating the strict location requirements and allowing more flexibility in selecting the location.
