

One Hundred Eighth Legislature - First Session - 2023

Introducer's Statement of Intent

LB484

Chairperson: Senator Suzanne Geist

Committee: Transportation and Telecommunications

Date of Hearing: January 31, 2023

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB484 - Seeks to further professionalize independent dealers within the motor vehicle industry, it places educational requirements for independent dealers applying for a new license and renewing their existing license. Independent dealers applying for a new license would have to complete eight hours of educational materials approved by the Motor Vehicle Industry Licensing Board. Independent dealers renewing their license would have to complete four hours of continuing education during the calendar year. These educational requirements would not apply to franchise dealers. As a housekeeping matter, the statutory language stating that the Motor Vehicle Industry Licensing Board is located in the State Capitol is stricken since the Agency hasn't been located there in decades.
