

One Hundred Eighth Legislature - Second Session - 2024

Introducer's Statement of Intent

LB966

Chairperson: Senator Mike Moser

Committee: Transportation and Telecommunications

Date of Hearing: February 13, 2024

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB966 would update statutes pertaining to the Nebraska Department of Transportation's operations and state traffic laws.

Nebraska Revised Statute section 60-6,123 describes the meaning of traffic control signal operations. LB966 would update the meaning of a steady red arrow and provide a definition in state law for a flashing yellow arrow indication in order to comply with federal law.

The bill would also amend Nebraska Revised Statute section 60-4,144 to change the way the NDOT calculates the state's variable fuel tax rate by adjusting the increments from the current one tenth of one percent to one-hundredth of one percent to make the calculation process more precise.
