

## LEGISLATIVE BILL 1310

Approved by the Governor March 30, 1972

Introduced by Wayne W. Ziebarth, 37th District

AN ACT to amend section 71-2007, Reissue Revised Statutes of Nebraska, 1943, relating to hospitals; to require the Director of Health to use statistical data in determining construction or expansion programs for hospitals; and to repeal the original section.

Be it enacted by the people of the State of Nebraska,

Section 1. That section 71-2007, Reissue Revised Statutes of Nebraska, 1943, be amended to read as follows:

71-2007. The director is authorized and directed to make an inventory of existing hospitals and medical facilities, including, but not restricted to, public, nonprofit and proprietary hospitals and other medical facilities, to accumulate pertinent comparable statistical data from existing hospitals and medical facilities, to survey the need for construction or expansion of hospitals and, on the basis of such statistical data, inventory and survey, to develop a program for the construction or expansion of such public and other nonprofit hospitals and medical facilities as will, in conjunction with existing facilities, afford the necessary physical facilities for furnishing adequate hospital, clinic and other essential health services without duplication or fragmentation of such facilities or services to all the people of the state.

Sec. 2. That original section 71-2007, Reissue Revised Statutes of Nebraska, 1943, is repealed.
