AN ACT to amend section 85-505, Reissue Revised Statutes of Nebraska, 1943, relating to tuition and fees at state educational institutions; to change a provision relating to the National Guard tuition credit; to repeal the original section; and to declare an emergency.

Be it enacted by the people of the State of Nebraska,

Section 1. That section 85-505, Reissue Revised Statutes of Nebraska, 1943, be amended to read as follows:

85-505. Any member of the Nebraska National Guard who shall enroll, on or after July 22, 1978, in any state-supported university, college, or technical community college shall be entitled to a credit of seventy-five per cent of the tuition charges of such school. Such entitlement shall be continuous so long as the member of the Nebraska National Guard maintains satisfactory performance with the guard and pursues his or her course of study in such institution in a manner which satisfies the normal requirements of the institution, except that the number of individuals granted such tuition credit shall not exceed the number of individuals granted such credits during the 1982-83 school year. When determining to whom such tuition credit shall be awarded, priority shall be given to those individuals who have previously received tuition credits while a National Guard member.

Sec. 2. That original section 85-505, Reissue Revised Statutes of Nebraska, 1943, is repealed.

Sec. 3. Since an emergency exists, this act shall be in full force and take effect, from and after its passage and approval, according to law.
