Approved by the Governor February 21, 1985

Introduced by Lamb, 43

AN ACT relating to public power districts; to amend section 70-624.02, Revised Statutes Supplement, 1984; to change provisions relating to the compensation of directors; and to repeal the original section.

Be it enacted by the people of the State of Nebraska,

Section 1. That section 70-624.02, Revised Statutes Supplement, 1984, be amended to read as follows:

70-624.02. The members of the board of directors shall be paid their actual expenses, while engaged in the business of the district under the authority of the board of directors, and, for their services, such compensation as shall be fixed by the board of directors. ~~The boards of directors of these districts with gross revenue of less than eleven million dollars may fix compensation at not to exceed two thousand four hundred dollars per year as to all members except the president, and not to exceed three thousand dollars per year as to the president.~~

The boards of directors of those districts with gross revenue of ~~exceeding eleven million dollars but less than forty million dollars~~ may fix compensation at not to exceed three thousand six hundred dollars per year as to all members except the president, and not exceeding four thousand two hundred dollars a year as to the president.

The boards of directors of those districts with gross revenue of forty million dollars or more may fix compensation at not to exceed six thousand dollars per year as to all members except the president or chairperson of the board, and not exceeding seven thousand two hundred dollars per year as to the president or chairperson of the board. All salaries and compensation shall be obligations against, and be paid solely from, the revenue of the district. No director shall receive any other compensation from the district, except as provided in this section, during the term for which he or she was elected or appointed or in the year following the expiration of his or her term, and resignation from such board of directors shall not be construed as the termination of the term of office for which he or she was elected or appointed. A member of the board of directors of a public power district organized under the laws of this state shall not be limited to service on the board of directors in the district in which he or she has been elected so as to preclude service

in similar positions of trust on a state, regional, or national level which are the result of his or her membership as a director on such board. For time expended in his or her duties in such position of trust, the director shall not be limited to any existing provisions of law of this state relating to payment of per diem for services as a member of such board of directors, but shall be entitled to receive such additional compensation as may be provided for such service, regardless of the fact that such compensation may be paid from funds to which his or her district has made contributions in the form of dues or otherwise.

Sec. 2. That original section 70-624.02, Revised Statutes Supplement, 1984, is repealed.
