

LEGISLATIVE BILL 204

Approved by the Governor February 22, 2000

Introduced by Schmitt, 41; Chambers, 11

AN ACT relating to law enforcement; to prohibit ticket quota requirements.
Be it enacted by the people of the State of Nebraska,

Section 1. A state agency or political subdivision shall not directly require a law enforcement officer employed by the state agency or political subdivision to issue a certain number or percentage of traffic citations, police citations, memoranda of traffic violations, memoranda of faulty equipment, or any other type of citation on any periodic basis. The purpose of this section is to prohibit all types of ticket quota requirements for law enforcement officers. For purposes of this section, law enforcement officer includes peace officers as defined in section 49-801 and conservation officers of the Game and Parks Commission.
