Introduction

Nebraska has more than 200 statutorily created boards, commissions, and other similar entities (boards). Among the many tasks assigned to them, boards provide oversight of governmental programs, regulate licensed professionals, carry out studies, oversee implementation of new programs, advocate for certain constituencies, and advise state agencies.

The Legislature's Role in Boards and Commissions

The Legislature plays a pivotal role in the establishment, administration, and operation of the state's boards and commissions.

First, as evidenced by the number of statutorily created boards, the Legislature creates boards via passage of legislation. In addition to creating boards, the legislation establishes membership and prescribes powers and duties.

Second, members of the Legislature are often required to confirm specific board members appointed by the Governor. Forty-five boards have members who must be confirmed by a majority vote of the Legislature. The boards are identified in Table 5 at the end of this report.

Finally, legislators serve as ex officio board members and appoint members or provide nominees for appointment by the Governor. Information about those boards can be found in Table 2 and Table 3.

Boards Created in the Nebraska Constitution

Twelve boards are created in the Nebraska Constitution. They are the: Coordinating Commission for Postsecondary Education, State Board of Education, Board of Educational Lands and Funds, Commission of Industrial Relations, judicial nominating commissions, Commission on Judicial Qualifications, Board of Pardons, Board of Parole, Public Service Commission, Board of Trustees of the Nebraska State Colleges, Tax Equalization and Review Commission, and University of Nebraska Board of Regents.

Boards as Agencies of State Government

Of the 228 statutorily created boards documented in this report, 53 are state agencies.

What makes a board a state agency?

The *Nebraska Blue Book* defines state agencies as entities which have their own staffs, are not affiliated with another agency or entity, and appear as distinct items within the state budget.

Nebraska state agencies are categorized as “code agencies” or “noncode agencies”; however, neither phrase is statutorily defined, making categorizing agencies more art than science.¹

Generally, a “code agency” is an agency whose executive director or chief official is appointed by the Governor. The appointee serves at the pleasure of and answers directly to the Governor. On the other hand, a “noncode agency” is an agency whose executive director or chief official is appointed by the governing agency board (whose members are usually gubernatorial appointees themselves).

Of the 52 agency boards, only four are under the direct control of the Governor and are considered code agencies, and the remaining 49 are considered noncode agencies. Table 4 lists these boards and includes additional information about them.

Noncode Agency

Code Agency

Other Statutorily Created Boards

Many of the remaining state boards are created or housed within other state agencies. The health profession licensing boards within the Department of Health and Human Services are examples.

However, a significant number of boards defy categorization; they are not full-fledged state agencies nor are they completely under the control of another state agency.

The *Nebraska Blue Book* classifies these boards as “other state governmental bodies” and describes them as follows: “[M]iscellaneous boards, commissions, committees, councils, authorities and quasi-governmental bodies and bodies with members from more than one branch of state government. None of these entities are full-fledged state agencies, but they have a degree of independence that keeps them from being classified within any department or agency.”² Among this diverse group of boards are the Environmental Trust Board, Nebraska Investment Finance Authority, and State Anatomical Board.

All of these boards are listed within the master list of Nebraska Boards and Commissions found in Table 5.

¹ The terms “code” and “noncode” harken back to 1919, when the Legislature adopted the Civil Administrative Code. Essentially, the 1919 legislation reorganized the executive branch of state government. The legislation abolished over 20 boards, commissions, and other departmental subdivisions and replaced them with six departments, each headed by a gubernatorial appointee. Those agencies and subsequent, similarly structured agencies came to be called “code agencies.” Because sources disagree on how boards are classified and consistent statutory guidance is lacking, this report uses the Governor’s Office classification of code and noncode agency boards, as generally reflected in the *Nebraska Blue Book*.

² The *Nebraska Blue Book*, 2012-13, p.725.

New Boards and Commissions Enacted in 2019

The 106th Legislature created nine new boards and eliminated four boards.

Healthy Soils Task Force (Laws 2019, LB 243)

Protecting Nebraska's agriculturally productive soils is the goal of the Healthy Soils Task Force. Among the task force's duties are developing a comprehensive healthy soils initiative for Nebraska and an action plan to successfully carry out the initiative's goals. Voting members of the task force include: (1) the Director of Agriculture or his or her designee; (2) two representatives of natural resources districts; (3) two academic experts in agriculture and natural resources; (4) six representatives from production agriculture; (5) two representatives from agribusiness; and (6) two representatives from environmental organizations. The nonvoting members are the chairpersons of the Legislature's Agriculture Committee and the Natural Resources Committee or their designees. The task force's report with recommendations is due to the Governor and the Agriculture Committee by January 1, 2021, and the task force terminates on that date.

Brain Injury Oversight Committee (Laws 2019, LB 481)

The committee is charged with providing financial oversight and developing criteria for expenditures from the Brain Injury Trust Fund, which is administered by the University of Nebraska Medical Center for the purpose of providing services to Nebraskans with brain injuries. The committee also represents the interests of individuals with brain injuries and their families through advocacy,

education, training, rehabilitation, research, and prevention. The committee is composed of nine public members appointed by the Governor, the Commissioner of Education, and the directors of the divisions of Behavioral Health and Public Health of the Department of Health and Human Services or their designees.

Nebraska Hemp Commission (Laws 2019, LB 657)

The job of the commission is promoting the state's newest agricultural crop: industrial hemp. Members of the commission include the dean of the University of Nebraska College of Agricultural Sciences and Natural Resources, a representative of postsecondary institutions other than the University of Nebraska, and three members appointed by the Governor. The appointed members must represent two Nebraska farmers interested in growing hemp and a manufacturer of hemp products.

To implement its mandate, the commission is authorized to hire support staff to carry out the work of the commission, prepare and approve a budget, and adopt and promulgate rules and regulations to carry out its duties under the Nebraska Hemp Farming Act. The commission must periodically report to the Governor and the Legislature on hemp policies and practices.

New Boards and Commissions Enacted in 2020

Dry Pea and Lentil Commission (Laws 2020, LB 803)

The Dry Pea and Lentil Resources Act created via LB 803 establishes a commodity check-off program for producers of dry peas and lentils and creates the commission to oversee it. Under the act, dry peas and lentils include dry peas, lentils, chickpeas or garbanzo beans, faba beans, and lupins. The commission is composed of five members, appointed by the Governor, who meet the following requirements:

- Are Nebraska citizens;
- Are at least 21 years of age;
- Have been engaged in growing dry peas and lentils in Nebraska for at least five years;
- Reside in the district they represent; and
- Derive a substantial portion of their income from growing dry peas and lentils.

The initial appointed members serve staggered terms so they do not all expire at once. Subsequent members will serve three years. Members can serve no more than three consecutive terms.

Checkoff programs —also referred to as research and promotion programs—collect funds from commodity producers and use the money to improve the market position of a particular agricultural commodity by expanding markets, increasing demand, and developing new uses and markets. The commodity must be promoted in a generic way without reference to specific producers or brands.

In existence for over a century, the term “checkoff” is derived from historical programs that were not mandatory, producers marked a checkoff box if they wished to contribute to the program. Today, many programs are mandatory and do not have such forms, but the name has remained. Producers and handlers usually finance checkoff programs from assessments charged on a per unit basis of the marketed commodity.

First Regiment Nebraska Volunteer Infantry at Fort Donelson Committee (Laws 2020, LB 850)

The committee is created to oversee all activities pertaining to the creation and installation of a monument at the Fort Donelson National Battlefield in Tennessee, dedicated to the bravery of the Nebraska volunteer infantry who fought there in a pivotal Civil War battle. Committee members consist of an employee of the Nebraska State Historical Society; two members of the public who are members of a local Civil War round table organization; and a professor of history from the University of Nebraska, all of whom are appointed by the Nebraska Secretary of State. The final member is the chairperson of the Government, Military and Veterans Affairs Committee. The committee terminates upon completion of its purpose.

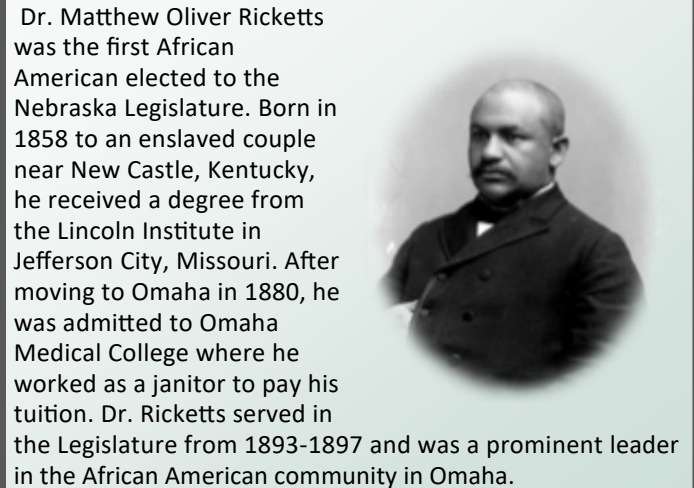

Fort Donelson National Battlefield is located in Dover, Tennessee.

New Boards and Commissions Enacted in 2020

Commission on African American Affairs (Laws 2020, LB 918)

The commission's task is to undertake activities that enhance the cause of African American rights and develop solutions to problems common to all Nebraska African Americans. The commission is composed of 14 members, appointed by the Governor from nominees submitted by the public. Members serve four-year terms and can be reappointed. Members receive a per diem of \$50 for each day spent in the performance of commission duties and reimbursement for expenses. The commission can employ an executive director, who must be African American and a legal resident of Nebraska. An executive board of the commission is established to administer the commission during the interim between the full commission's regular quarterly meetings. The executive board is composed of the commission chairperson and four commission members.

Language assessment advisory committee to the Commission for the Deaf and Hard of Hearing (Laws 2020, LB 965)

LB 965 creates the committee to advise the Commission for the Deaf and Hard of Hearing on all aspects of the language assessment program for deaf or hard of hearing children established via LB 965. The 14 members of the committee are appointed by the commission to represent stakeholders in the field of education and the deaf or hard-of-hearing community. The committee must develop specific action plans and make recommendations to fully implement the language assessment program by July 1, 2022. The advisory committee terminates on that date.

Advisory committee to monitor the use of alternative response, Nebraska Children's Commission (Laws 2020, LB 1061)

LB 1061 requires the Nebraska Children's Commission to appoint an advisory committee to examine the Department of Health and Human Services' (DHHS) use of "alternative response" to reports of child abuse or neglect and to make recommendations to the Legislature, DHHS, and the commission. Members of the advisory committee must include representatives from: DHHS, law enforcement, county attorneys or other prosecutors, the state chapter of child advocacy centers, attorneys who represent parents, guardians ad litem, a child welfare advocacy organization, families with experience in the child welfare system, family caregivers, the Foster Care Review Office, and the office of Inspector General of Nebraska Child Welfare. Members serve two-year terms.

Health Information Technology Board (Laws 2020, LB 1183)

The board is tasked with establishing criteria for data collection and disbursement to be used by the statewide health information exchange. Additionally, the board provides governance oversight to ensure that health information in the statewide health information exchange and the prescription drug monitoring program are accessed, used, or disclosed only in accordance with the privacy and security protections set forth under federal law.

The 17-member board is composed of health care providers and other stakeholders and includes the chairpersons of the Legislature's Health and Human Services and Appropriations committees as ex officio, nonvoting members. Non-legislative members are appointed by the Governor and confirmed by the Legislature to serve five-year terms.

Changes to Existing Boards in 2019-2020

This report tracks changes to existing boards if the changes affect integral components of a board's structure, such as name, membership, or termination dates, or significantly alter a board's function or duties.

Public Employees Retirement Board (Laws 2019, LB 33)

The per diem for board members is increased from \$50 to \$75.

Nebraska Grape and Winery Board (Laws 2019, LB 75)

Beginning with appointments to the board in 2021, appointee terms are staggered so that the entire board's terms do not expire at the same time. Ultimately, board members will serve for three years and can be reappointed. The change is meant to preserve institutional knowledge believed lost when all terms expire at once.

Nebraska Educational, Health, and Social Services Finance Committee (Laws 2019, LB 224)

The committee is renamed the Nebraska Educational, Health, Cultural, and Social Services Finance Authority.

Nebraska Children's Commission (Laws 2019, LB 600)

The legislation makes numerous changes to the Children's Commission. LB 600 eliminates the commission's termination date. The focus of the commission's work also shifts from creating a statewide strategic plan to reform Nebraska's child welfare and juvenile justice programs and systems to monitoring and evaluating those systems. Further, the commission membership decreases from 17 to 15 voting members appointed by the Governor; the executive director of the Foster Care Review Office is changed to a nonvoting member; and the Director of Behavioral Health of the Division of Behavioral Health is added to the nonvoting membership.

Nebraska Craft Brewery Board (Laws 2019, LB 624)

Beginning with appointments to the board in 2022, appointee terms are staggered so that the termination dates for board members occur at different times. The changes to the board are for the same reason as the changes made to the Grape and Winery Board: to preserve institutional knowledge.

Nebraska Arts Council (Laws 2020, LB 780)

The council is given new duties pertaining to creative districts, which are authorized under LB 780. The council must recommend to the Legislature a plan to divide the state into creative districts and certify the districts based on geographically contiguous area, artistic or cultural activities or facilities, promotion and preservation of artistic or cultural sites or events, educational uses of artistic or cultural activities or sites, and unique or niche areas, activities, events, facilities, or sites. Additionally, the council must prepare a plan establishing a competitive grant program to award grants to certified creative districts.

Niobrara Council (Laws 2020, LB 858)

The gubernatorial appointees to the council are no longer subject to legislative confirmation. The change affects seven members of the council.

Nebraska Rural Broadband Task Force (Laws 2020, LB 992)

A term of two years is established for task force members. Members can be reappointed.

Boards Eliminated in 2019-2020

The Legislature eliminated four boards during 2019-2020.

- Water Funding Task Force (Laws 2019, LB 1)
- Radon Resistant New Construction Task Force (Laws 2019, LB 130)
- Title IV-E Demonstration Project Committee (Laws 2019, LB 600)
- Advisory committee to the Children’s Commission on psychotropic drugs and state wards (Laws 2020, LB 1061)

Nebraska Boards and Commissions Tables

- Table 1 lists those boards created during the 2019-2020 biennium.
- Table 2 lists those boards on which state senators serve as members.
- Table 3 lists those boards with members who are nominated or appointed by the Legislature.
- Table 4 lists those boards that are agencies of state government.
- Table 5 is a comprehensive list of all statutorily created boards tracked by this report. (For reference, termination date refers to the termination date listed in statute for that particular board. Terminated boards continue to be listed in this report until they are actually removed from statute by enacted legislation.)

¹ The Natural Resources Commission was created in 1937 (Laws 1937, c. 8, sec. 4, p. 94) as the State Soil Conservation Committee, later the Soil and Water Conservation Commission. It was renamed the Nebraska Natural Resources Commission in 1972. The Department of Natural Resources was established in 2000 via the merger of the commission and the Department of Water Resources (Laws 2000, LB 900).

² In 1973, the Legislature repealed the original act and replaced it with new legislation creating a 15-member council.

³ In 1990, Nebraska voters approved placing the commission in the State Constitution.

⁴ Additionally, the Director of Agriculture, the vice chancellor of the Institute of Agriculture and Natural Resources, and the president of the Nebraska Corn Growers Association serve as ex officio, nonvoting members.

⁵ The director of the Panhandle Research and Extension Center serves as an ex officio, nonvoting member.

⁶ The State Board of Education serves as the State Board of Vocational Education.

⁷ The State Board of Education is an elective office.

⁸ A constitutional amendment to create a State Department of Education, governed by a State Board of Education, was approved by voters in 1952. Legislation the next year established this structure in statute.

⁹ The Nebraska Constitution of 1875 provided for a "board of commissioners for the sale, leasing, and general management of all lands and funds set apart for educational purposes...." It was composed of the Governor, Secretary of State, Treasurer, Attorney General, and the Commissioner of Public Lands and Buildings. In 1955, the Legislature changed the board's membership to a body appointed by the Governor, after voters approved the change in a constitutional amendment in 1954.

¹⁰ Prior to 1975, the state Electrical Board was a division within the State Fire Marshal's Office.

¹¹ Laws 1971, LB 776 created an Agricultural Products Industrial Utilization Committee, which over time came to be known as the Gasohol Committee, the precursor to the Ethanol authority and Development Board, which was renamed simply the Nebraska Ethanol Board in 1993.

¹² The commission originated in 1879 as the Board of Fish Commissioners and has undergone numerous permutations since then. In 1929, the Legislature merged the Bureau of Game and Fish in the Department of Agriculture with the state Park Board to create the Game, Forestation and Parks Commission. In 1967, the Legislature created the position of State Forester and removed oversight of forests from the commission, which then became the Game and Parks Commission.

¹³ The Director of Agriculture and the vice chancellor of the Institute of Agriculture and Natural Resources are ex officio, nonvoting board members

¹⁴ The Historical Society was founded in 1878, became a state institution in 1883, and a state agency in 1994.

¹⁵ The State Treasurer and the executive director of the State Employees Retirement Systems serve as ex officio, nonvoting members.

¹⁶ The State Surveyor serves as the ex officio secretary of the board.

¹⁷ The board became an independent state agency in 1971.

¹⁸ The board is composed of nine members appointed by the Governor and the Governor, or his or her designee, who serves as an ex officio member with the power to vote.

¹⁹ The commission was originally known as the Commission on Mexican-Americans.

²⁰ Neb. Rev. Stat. sec. 53-106 prohibits members of the Liquor Control Commission from holding any other position or office under state law, the laws of other states, or the federal government. The commission is just one of four boards or commissions that is salaried. (The others are the Parole Board, the Public Service Commission, and the Tax Equalization and Review Commission.)

²¹ The Director of Motor Vehicles serves as the board's chair.

²² The predecessor board was known as the Board of Examiners of Public Accountants; the current board was statutorily established in 1957.

²³ The State Investment Officer serves as an ex officio, nonvoting member.

²⁴ The commission's salary is set by the Legislature.

²⁵ The Nebraska Constitution allows the commission to have between 3 and 7 members; the current board lists 5 members.

²⁶ The Public Service Commission is another board that has undergone numerous changes over its lifetime. Its lineage traces back to the Railway Commission, which was established in 1885 and composed of state constitutional officers. In 1906, voters ratified a constitutional amendment creating an elective railway commission.

¹ A “Y” in this column indicates that a provision authorizing expenses exists in the statute creating the board or commission; an “N” indicates the enacting statute makes no mention of allowing expenses. However, Neb. Rev. Stat. sec. 81-1178 provides that “Any member of any state commission, council, committee, or board which has been created by statute shall be entitled to be reimbursed for expenses in the same manner as provided in sections 81-1174 to 81-1177 for state employees whether or not specific reference is made to such sections.”

² Unless otherwise noted, per diems listed are the maximum allowable in statute for that particular board. Since some statutes indicate that the permissible per diem is “at least” or “up to”, the actual per diem paid to a given board member could be less than that listed. As per Neb. Rev. Stat. sec. 71-112, the professional boards in the various health-related fields receive expenses as well as a per diem not to exceed \$30. Additionally, the per diem and expenses cannot be greater than “is received in fees from the applicants taking the examination in any particular profession.” Each individual board sets its own per diem within those parameters. Additionally, these boards may set per diems and pay the expenses up to this rate for any subcommittees they create.
